Since more than 30 years... ...Optical lens Edging is our expertise

ALTA NX-XL / NX-SX

...the Ultimate Edger from Briot - France

- Patented frame tracing technology • Automatic recognition of lens power, type & center (XL) • Auto Centering & Auto Blocking • Universal shape modification • Pattern Recognition Optical System • Any lens material / coating compatible • Adjustable Grooving • Ultra fine Polishing • Angular Drilling • Precise Notching

Briot - Latest Auto Edger with the Drill...

emotion

- Faster processing and more output than Silver+ • Motorized scanner open / close functions • Automated lens blocking • Motorised edging chamber Visor • Universal shape modification with Digiform • Intermediate to Cx and Alta range

SILVER / SILVER+ / Cx

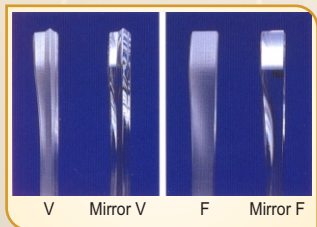

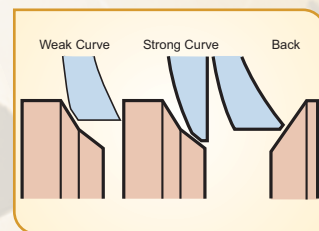

...Accura range of Auto Edgers - Briot

- Accura edgers are compact and All-in-one patternless edgers • Silver - a tough 3D patternless edger • Silver + offers Safety Bevel & Grooving functions, over & above all the advantages of Silver • Cx is faster processing and giving more output than Silver+ with more motorised and automated functions.

Grand Seiko, Japan, New 3D edger...

GS-C230

- Maintaining the tradition of Lowest Maintenance, the New 3D Edger successfully launched • GS-C230 offers fully Automated Grooving facility and selectable front & back Safety Beveling • Lens as small as 16 mm (flat) can be edged • Claimed to be much more reliable & most easy to maintain.

GSC-180

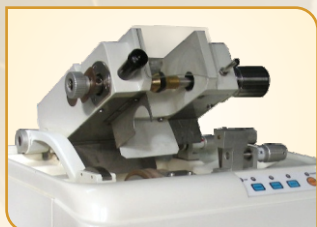

...Lowest maintenance Patternless Edger from Grand Seiko - Japan

- World's most simple and almost maintenance free Patternless Edger • Upgraded CPU increases processibility • Larger LCD • Stores up to 250 frame shapes in memory • Able to process both Mirror V and Mirror Flat bevel • Under the free bevel most of lenses can be edged well • Specially designed attachment for the controlled bevel.

World's most economic and successful Patterned Edger...

JINGLIAN EDGER

- Loaded with the latest technology, enabling it to be more speedy, stable and accurate • Friendly and personalized user interface makes the Jinglian Edger the preferred Auto edger not only in India but most of the World's emerging markets also.

OL-A2

...Indigenous Auto Edger from Optilab

- The only Auto-Edger developed indigenously at par with International Standards • The OL-A2 is easy to maintain, easy to operate, fast, accurate and surprisingly affordable.
